

THE MVNU EXPERIENCE

CHOICES—You make them daily about every aspect of your life. Right choices make you feel good about who you are and how you live your life. The choices you make define who you are and are becoming.

As you think about the choice of a college education, we want you to know that at Mount Vernon Nazarene University you have choices of relevant and challenging majors that will open the doors to experience discovery and growth. Travel. Serve. Learn. In a real community of faith where professors give you personal attention and you know you're not a number; you're one of us. We'll show you how you can afford it too. It's all a matter of choice. Make the right one.

Prepare yourself for the fast-paced world of modern business as you develop leadership skills. Learn to work in a global economy. Learn to develop your skills individually or in team work. Learn to balance the demands of the business world with Christian values.

The MVNU School of Business offers undergraduate and graduate programs in a learning environment emphasizing Christian values and ethical standards. Graduates from the School of Business begin their careers in major corporations, family-owned businesses, government, and industry. Some start their own businesses. Others continue their education in graduate programs or law school. Overall they are prepared to meet the challenges of a constantly changing world.

PROGRAM FEATURES

The School of Business offers you a variety of special educational opportunities.

Students In Free Enterprise

SIFE can help you impact your world if you want to:

- Work with illiterate children or adults in your community.
- Consult with local businesses about improvements they can make to increase profits.

SIFE is an international organization dedicated to informing the public about:

- How to conduct business in an ethical way and still make a profit.
- The dangers of drugs and alcohol abuse in the business world.
- How to combat the dangers of the rise in the illiteracy rate and the national debt.

Through SIFE:

- Learn with other students with various backgrounds and majors from across the campus.
- Meet and work with business professionals from the community and from large international corporations.

Accounting Club

- A student-led organization in which accounting majors and other business majors may participate.

Advertising Club

- Students develop an advertising campaign and compete with students from other colleges and universities.

Business Internship

- During your senior year

you will be given the opportunity to participate in a business internship.

- Learn real-world, practical experience that affords an excellent foundation for a future career.
- Earn up to six hours of university credit.

Seminar in International Development

At MVNU, you will have the opportunity to become involved in educational and service endeavors in a developing country. This January travel course provides you with cross-cultural experience in a less-developed country. During the trip you will be directly involved in both academic-based and mission-related outreach. You will learn about people in other areas of the world and, more importantly, about yourself.

WHAT OUR GRADUATES ARE SAYING

“MVNU provided a well rounded understanding of basic business principles. The faculty and staff taught by example how to serve Christ in our every day living, which has allowed me to become a Christian business professional.”
