

THE MVNU EXPERIENCE

CHOICES— You make them daily about every aspect of your life. Right choices make you feel good about who you are and how you live your life. The choices you make define who you are and are becoming.

As you think about the choice of a college education, we want you to know that at Mount Vernon Nazarene University you have choices of relevant and challenging majors that will open the doors to experience discovery and growth. Travel. Serve. Learn. In a real community of faith where professors give you personal attention and you know you're not a number; you're one of us. We'll show you how you can afford it too. It's all a matter of choice. Make the right one.

Our students become writers, artists, musicians, teachers, lawyers, broadcasters, and graphic designers, each with a specific set of skills learned in the classroom and through internships.

Competence and Christian service go hand-in-hand at MVNU.

The School of Arts and Humanities invites you to explore our undergraduate programs in art, communication, English, graphic design, history, modern languages, and music. It's all a matter of making the right choice.

WHAT OUR GRADUATES ARE SAYING

"God prompted me to spend my life as a tool to bring about justice and reconciliation. MVNU's focus on missions gave me a love for what Jesus loves, and now my heart is with the impoverished in America's inner cities."
